POLICY STATEMENT

Title: Carer Participation
Policy No. CPD460-3

Policy Statement:
The Department of Communities (Child Safety Services) is committed to promoting a partnership with foster and kinship carers that recognises the integral part played by carers in the child protection system.

Principles:
Principles underpinning the implementation of this policy include:
- Carers, Child Safety Services, and foster and kinship care services work in partnership to provide care that is child-centred and family focused.
- Each participant provides a unique contribution.
- Communication is open and respectful.
- Strong partnerships between Child Safety Services and carers occur when both parties invest time in building positive rapport and carers have meaningful opportunities for participation.
- Carers’ participation will be supported by the provision of current information about relevant policies and practice, research and identified trends and needs.

Objectives:
The objective of this policy is to ensure that Child Safety Services staff collaborate with carers in the development of policies, programs and practice at a systems level.

Scope:
This policy and associated procedures guides the actions of Child Safety Services staff in supporting systems-level participation by carers.

Roles and Responsibilities:
Procedural details to give effect to carer participation in developing and implementing aspects of the case plan for individual children are described in the Child Safety Practice Manual.
- Regional Directors are responsible for the arrangements to give effect to carer participation in developing responsive policies, programs and practice that uphold children’s safety, rights and well-being (systems level participation). This includes administration of funds to support these
arrangements. Funds to support systems level participation can be used to meet the costs of:

- venues
- catering
- facilitation
- transport (for example public transport and parking costs)
- accommodation and meals (invoice or reimbursed on presentation of receipt) and
- babysitting or casual child care for carer participants.

- Child Safety Service Centre Managers are responsible for promoting carer participation in cooperation with their Regional Director.

- The Regional Executive Director is responsible to identify funds in regional budgets (annually), in consultation with Regional Directors to support carer participation processes.

- The Executive Director, Child Safety Families and Individual Support Programs and Partnerships is responsible to identify funds (annually) to support Foster Care Queensland’s activities and roles that impact on carer participation.

- The Executive Directors, Child Protection Development; and Child Safety Youth and Families Policy and Performance are responsible to ensure policies and procedures support appropriate carer participation in developing and implementing aspects of the case plan for individual children and for regular review of the ‘Statement of Commitment’.

As chair of the Child Protection Partnership Forum, the Deputy Director-General, Child Safety, Youth and Families, Community Participation is responsible for ensuring the ‘voice’ of carers is heard in the discussions and decisions of the Forum
