

## Scenarios for Activity 1 and 2 -Statement of Commitment

### Scenario 1

You have an allegation raised against you about inappropriate discipline methods used in home

---

### Scenario 2

You have accepted a new care arrangement, the child is coming to you on a short term order – you don't know how long for, you are aware that family is being explored, you are not Aboriginal, and the child identifies as Aboriginal.

---

### Scenario 3

You need to end a care arrangement as you feel your family are unsafe due to the child's behaviours which have caused ongoing and extensive damage to your property and intimidation/threats from the child's family.

---

### Scenario 4

You have a young person in your care that is 17 and due to transition to adulthood. You have been their primary carer for 7 years, but you do not have guardianship, Child Safety does.

---

### Scenario 5

You have really had enough of the system, you are a kinship carer and want to care for your nieces, but you don't want to work with Child Safety anymore, you are sick of the system and what it represents, you are due to be re-approved but are avoiding the process.
