

## ABS 2021 Census of Queenslanders Country of Birth

Source: [SBS Australian Census Explorer using data from the ABS 2021 Census](#)

Count of usual residents by country of birth, Queensland

'Country of birth' data was not captured for a small proportion of Queensland residents in the 2021 Census. Less than 0.1% people gave an unclear answer and 5.9% of people did not answer the question regarding country of birth.

Caution should be exercised when interpreting small counts in this table, which may not be a reliable estimate of the population due to perturbation (random adjustment of cell values to minimise the risk of identifying individuals), sampling error, respondent errors and processing errors of these data.
